ARTICLE VIII **Steering Committee Member Liability Limitations**

A Steering Committee Member shall have no liability to the Association for monetary damages for conduct as a Steering Committee Member, except for acts or omissions that involve intentional misconduct by the Steering Committee Member, or for any transaction from which the Steering Committee Member will personally receive a benefit in money, property or services to which the Steering Committee Member is not legally entitled. If the Washington Nonprofit Corporation Act is hereafter amended to authorize corporate action further eliminating or limiting the personal liability of Trustees, then the liability of a Steering Committee Member shall be eliminated or limited to the full extent permitted by the Washington Nonprofit

Corporation Act, as so amended. Any repeal or modification of this Article shall not adversely affect any right or protection of a Steering Committee Member of the Association existing at the time of such repeal or modification for or with respect to an act or omission of such Steering Committee Member occurring prior to such repeal or modification.

Trustees of the Association shall not be personally liable to the Association or its Members, if any, for monetary damages for conduct as a Trustee, except for acts or omissions that involve intentional misconduct by a Steering Committee Member or a knowing violation of law by a Trustee, where the Steering Committee Member votes or assents to a distribution which is unlawful or violates the requirements of these articles of incorporation, or for any transaction from which the Steering Committee Member will personally receive a benefit in money, property, or services to which the Steering Committee Member is not legally entitled.

ARTICLE IX Indemnification

Subsection 1. Right to Indemnification. Each person who was, or is threatened to be made a party to or is otherwise involved (including, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a Steering Committee Member or Officer of the Association or, while a Steering Committee Member or Officer, he or she is or was serving at the request of the Association as a Trustee, Officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a Trustee, Officer, employee or agent or in any other capacity while serving as a Trustee, Officer, employee or agent, shall be indemnified and held harmless by the Association, to the full extent permitted by applicable law as then in effect, against all expense, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts to be paid in settlement) actually and reasonably incurred or suffered by such person in connection therewith, and such indemnification shall continue as to a person who has ceased to be a Trustee, Officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that except as provided in Section 2 of this Article with respect to proceedings seeking solely to enforce rights to indemnification, the Association shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Steering Committee of the Association. The right to indemnification conferred in this Section 1 shall be a contract right and shall include the right to be paid by the Association the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that the payment of such expenses in advance of the final disposition of a proceeding shall be made only upon delivery to the Association of an undertaking, by or on behalf of such Steering Committee Member or Officer, to repay all amounts so advanced if it shall ultimately be determined that such Steering Committee Member or Officer is not entitled to be indemnified under this Section 1 or otherwise.

Subsection 2. Right of Claimant to Bring Suit. If a claim for which indemnification is required under Section 1 of this Article is not paid in full by the Association within sixty (60) days after a written claim has been received by the Association, except in the case of a claim for expenses incurred in defending a proceeding in advance of its final disposition, in which case the applicable period shall be twenty (20) days, the claimant may at any time thereafter bring suit against the Association to recover the unpaid amount of the claim and, to the extent successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. The claimant shall be presumed to be entitled to indemnification under this Article upon submission of a written claim (and, in an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition, where the required undertaking has been tendered to the Association), and thereafter the Association shall have the burden of proof to overcome the presumption that the claimant is not so entitled. Neither the failure of the Association (including its Steering Committee, independent legal counsel or its Members, if any) to have made a determination prior to the commencement of such action that indemnification of or reimbursement or advancement of expenses of the claimant is proper in the circumstances nor an actual determination by the Association (including its Steering Committee, independent legal counsel or its Members, if any) that the claimant is not entitled to indemnification or to the reimbursement or advancement of expenses shall be a defense to the action or create a presumption that the claimant is not so entitled.

Subsection 3. Non-exclusivity of Rights. The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Articles of Incorporation, Bylaws, agreement, vote of Members, if any, or disinterested Trustees or otherwise.

Subsection 4. Insurance, Contracts and Funding. The Association may maintain insurance at its expense to protect itself and any Trustee, Officer, employee or agent of the Association or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Association would have the power to indemnify such persons against such expense, liability or loss under the Washington Business Corporation Act, as applied to nonprofit corporations. The Association may, without further membership action, enter into contracts with any Steering Committee Member or Officer of the Association in furtherance of the provisions of this Article and may create a trust fund, grant a security interest or use other means, (including, without limitation, a letter of credit) to ensure the payment of such amounts as may be necessary to effect indemnification as provided in this Article.

Subsection 5. Indemnification of Employees and Agents of the Association. The Association may, by action of its Steering Committee from time to time, provide indemnification and pay expenses in advance of the final disposition of a proceeding to employees and agents of the Association with the same scope and effect as the provisions of this Article with respect to the indemnification and advancement of expenses of Trustees and Officers of the Association or pursuant to rights granted pursuant to, or provided by, the Washington Business Corporation Act, as applied to nonprofit corporations, or otherwise.

ARTICLE X
Bylaws

Bylaws of the Association may be adopted by the Steering Committee at any regular meeting or any special meeting called for that purpose, so long as they are not inconsistent with the provisions of these Section. The authority to make, alter, amend or repeal bylaws is vested in the Steering Committee and may be exercised at any regular or special meeting of the Steering Committee.

IN WITNESS WHEREOF, the undersigned have signed this Amended Certificate
of Incorporation this ___26th___ day of ___October___, 2002.
