(Adopted 29 January 2003, Chicago, Ill.)

**ARTICLE I  
NAME AND OFFICES**

The principal office of the Corporation shall be located at its principal place of business or such other place as the Board of Directors ("Steering Committee") may designate. The Corporation may have such other offices, either within or without the State of Washington, as the Steering Committee may designate or as the business of the Corporation may require from time to time.

**ARTICLE II  
RELATIONSHIP TO ASSOCIATION OF THEOLOGICAL SCHOOLS**

1. The common concerns of ATFE and ATS are to:
  - (a) maximize the quality of service to theological field education;
  - (b) provide for optimal growth and development of field education personnel;
  - (c) achieve maximum input from field education personnel to development of strategies for theological education;
  - (d) develop and maintain an atmosphere for maximum input of content fields into experience-centered learning;
  - (f) provide for optimal participation of education personnel in education programs of ATS.

The Association for Theological Field Education stands in affiliated relationship to the Association of Theological Schools ("ATS").

2. Such affiliated relationship implies only that:
  - (a) as an agency or institution ATFE participates in meetings of ATS with a voice but without a vote,
  - (b) ATFE representatives may be elected to ATS committees or commissions, and
  - (c) ATFE and ATS will seek to minimize duplication of effort and expenditure between ATFE and ATS.

### **ARTICLE III MEMBERSHIP**

1. Membership is to be drawn primarily from member seminaries of the Association of Theological Schools but is open to anyone committed to the above purposes by reason of involvement in formation programs, higher education or denominational responsibility.

  - (b) independent

4. Independent membership is open to persons who are involved in supervisory ministry and the formation of others for ministry. Such members shall not be related formally to a theological institution or denominational agency which is enrolled as an institutional member. Independent membership shall include the right to vote as a regular member.
5. Associate relationship is open to individuals or institutions, usually outside the United States and Canada, who request to have a relationship with the Association for Theological Field Education. Such individuals or institutions will be on the mailing list, invited to meetings and have voice but shall have no vote and hold no office. Applications for associate relationship shall be considered and approved by the Steering Committee. Dues for Associate Members shall be set by the Steering Committee.
6. Emeritae/i membership is open to retired persons who previously have held membership in the Association for Theological Field Education.

9. Each member entitled to vote at an election of the steering committee may cast one vote for as many persons as there are steering committee members to be elected and for whose election such member has a right to vote.

The date of the consultation normally shall be in January or February of the odd numbered years. The bi-annual meeting shall be for the purpose of electing the Steering Committee and transacting such other business as may properly come before the meeting. If the day fixed for the annual meeting is a legal holiday at the place of the meeting, the meeting shall be held on the next succeeding business day. If the annual meeting is not held on the date designated therefore, the Steering Committee shall cause the meeting to be held as soon thereafter as may be convenient.
11. The Chair of the Steering Committee, a majority of the Steering Committee, or not less than 50% of the members entitled to vote at such meeting, may call special meetings of the members for any purpose.
12. All meetings of members shall be held at the principal office of the Corporation or at such other place within or without the State of Washington designated by the Chair of the Steering Committee, by the members entitled to call a meeting of members, or by a waiver of notice signed by all members entitled to vote at the meeting.

At any time, upon the written request of not less than 50% of the members entitled to vote at the meeting, it shall be the duty of the Secretary to give notice of a special meeting of members to be held at such date, time and place as the Secretary may fix, not less than ten nor more than sixty days after receipt of such written request. If such notice is mailed, it shall be deemed delivered when deposited in the official government mail, postage prepaid, and properly addressed to the member at his or her address as it appears on the records of the Corporation with postage thereon prepaid. If such notice is e-mailed, it shall be deemed delivered when sent to a member at his or her email address as it appears on the records of the Corporation and further when four days have passed since the date of the sending of the emails message(s) and no error message (with regards to an individual member) has been sent back to ATFE regarding un-deliverability, wrong address, full mailbox, or other such evidence of non-delivery.
14. Whenever any notice is required to be given to any member under the provisions of these Bylaws, the Articles of Incorporation or applicable Washington law, a waiver thereof in

writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

15. Twenty Five percent (25%) of the members of the Corporation, who are in attendance at a given biennial consultation or a duly called special meeting shall constitute a quorum at a meeting of the members. If less than a quorum of the members entitled to vote is represented at a meeting, a majority of the members so represented may adjourn the meeting from time to time without further notice.
16. Any action which could be taken at a meeting of the members may be taken without a meeting if a written consent setting forth the action so taken is signed by all members and/or members of the Steering Committee entitled to vote with respect to the subject matter thereof. Such written consents may be signed in two or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same document. Any such written consent shall be inserted in the minute book as if it were the minutes of a meeting of the members and/or members of the Steering Committee (as appropriate).
17. Members of the Corporation may participate in a meeting of members by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time.
